

Devil Siren

Am7

I know that trouble is on the way

Am7

You're not ready

Am7 *Em7 Fmaj7*

Ready or not you're gonna ride

Em7 Fmaj7 *Em7 Fmaj7 G7*

Devil or not you're gonna ride

Am7

I see the flashing that burns your eyes

Am7

The blue devil

Am7 *Em7 Fmaj7*

Ready or not nowhere to hide

Em7 *Em7 Fmaj7 G7*

Ready or not you're gonna ride

Am7

Devil comin' round

Am7

with a wailing sound

Am7

Gonna beat you down

Am7

gonna take you downtown

Am7

I hear the siren that screams his rage

Am7

The white devil

Am7 *Em7 Fmaj7*

Ready or not you're gonna ride

Em7 *Em7 Fmaj7 G7*

Ready or not you're gonna ride

Am7

I know we all gotta do what's right

Am7

We're not ready

Am7 *Em7 Fmaj7*

But ready or not we gotta fight

Em7 *Em7 Fmaj7 G7*

Or ready or not we gonna ride
