

## Can't Stop

Can't stop, addicted to the shindig  
Chop Top, he says I'm gonna win big  
Choose not a life of imitation  
Distant cousin to the reservation

Defunkt, the pistol that you pay for  
This punk, the feelin' that you stay for  
In time, I want to be your best friend  
East Side love is living on the West End

Knocked out, but boy, you better come to  
Don't die, you know, the truth is some do  
Go write your message on the pavement  
Burn so bright, I wonder what the wave meant

White heat is screamin' in the jungle  
Complete the motion if you stumble  
Go ask the dust for any answers  
Come back strong with fifty belly dancers

The world I love, the tears I drop  
To be part of the wave, can't stop  
Ever wonder if it's all for you?  
The world I love, the trains I hop  
To be part of the wave, can't stop  
Come and tell me when it's time to

Sweetheart is bleeding in the snow cone  
So smart, she's leading me to ozone  
Music, the great communicator  
Use two sticks to make it in the nature

I'll get you into penetration  
The gender of a generation  
The birth of every other nation  
Worth your weight, the gold of meditation

This chapter's gonna be a close one  
Smoke rings, I know you're gonna blow one  
All on a spaceship, persevering  
Use my hands for everything but steering

Can't stop the spirits when they need you  
Mop tops are happy when they feed you  
J. Butterfly is in the treetop  
Birds that blow the meaning into bebop

The world I love, the tears I drop  
To be part of the wave, can't stop  
Ever wonder if it's all for you?  
The world I love, the trains I hop  
To be part of the wave, can't stop  
Come and tell me when it's time to

Wait a minute, I'm passin' out, win or lose  
Just like you  
Far more shocking than anything I ever knew  
How about you?  
Ten more reasons why I need somebody new  
Just like you  
Far more shocking than anything I ever knew  
Right on cue

Can't stop, addicted to the shindig  
Chop Top, he says I'm gonna win big  
Choose not a life of imitation  
Distant cousin to the reservation

Defunkt, the pistol that you pay for  
This punk, the feelin' that you stay for  
In time, I want to be your best friend  
East Side love is living on the West End

Knocked out, but boy, you better come to  
Don't die, you know, the truth is some do  
Go write your message on the pavement  
Burn so bright, I wonder what the wave meant

Kick-start the golden generator  
Sweet talk but don't intimidate her  
Can't stop the gods from engineering  
Feel no need for any interfering

Your image in the dictionary  
This life is more than ordinary  
Can I get two, maybe even three of these?  
Comin' from space to teach you of the Pleiades

Can't stop the spirits when they need you  
This life is more than just a read-through
